

Lisainfot laoseisude, hinnakirjade ja velgede sobivustabelite kohta leiate järgmiselt aadressilt:

www.gtstudio.ee/ladu

Laoseisud kajastavad jooksvalt saadaolevaid kaupu nii meie Eesti laos kui tootjate laos väljaspool Eestit. Kiireim viis sobiva velje leidmiseks on nende laoseisude läbivaatamine.

Tarneaegu ja muid jooksvaid probleeme puudutavatele küsimustele saab vastused tehes päringu järgnevatele e-maili aadressidele: heikki@gtstudio.ee, gerry@gtstudio.ee

ps. Tooteportfell võib muutuda kuna tootjad arendavad järjest uusi veljemudeleid ning asendavad nendega tihti vanu.

Edukaid tehinguid soovides,
GTSTUDIO OÜ
