Newsletter 03.31.23

A Note From the Gridiron Club Board

Danes,

As we head in to spring break, the Gridiron Club Board wishes you safe travels and lots of fun.

This newsletter has 3 important pieces of information:

- * Community Sponsorships
- * Registration / Dragon Fly
- * Fundraiser #1 - Sponsor A Day

We have included the links to all of the information from our parent meeting, the spring/summer calendar, and upcoming events. Please contact us by email (denmarkfootball@gmail.com) if you have any questions.

Community Sponsorships

Denmark Football and the Denmark Danes Gridiron Club appreciate all of the support from you, and our community sponsorships. As we shared during the parent meeting, the Danes football program is 100% funded by the community with no financial support from the state, county or school. With that said, community sponsorships are a vital to running a successful, well equipped football program.

In years past, our program provided opportunities for families to secure community sponsorships in lieu of paying player fees. We plan to continue this program but due to the increase in costs (globally) we had to make a few changes to this program. In order to secure the perks of a sponsorship, the sponsorship level must include the \$1000 player fee.

We are so appreciative of our generous football families and hope to grow our community involvement. If you have leads of additional community sponsors or if you would like your business to be a sponsor we will support you in each step of the way.

Please reach out to the board if you have any questions.
