

EPSON PERFECTION V500 OFFICE

EPSON PERFECTION V500 OFFICE

Scan large documents quickly and easily with this intuitive hybrid document and film scanner. With zero warm-up time and a 30-sheet auto document feeder it's easy to scan multiple pages into high-quality files.

Start scanning straight away with Epson ReadyScan LED technology, for low power consumption and zero warm-up time. This high-speed scanner produces high-quality 6400 dpi scans but uses less energy to keep your costs down.

This fast, energy-efficient scanner allows you to automatically scan multiple page documents handsfree with its 30-page ADF, leaving you free to get on with other tasks. You can also enhance faint text and other difficult to scan documents and create searchable PDFs at the touch of a button, using the supplied OCR software.

This is also a fantastic photo scanner, with film holders for your 35 mm filmstrips, mounted slides and even panoramic medium format film. With DIGITAL ICE™ technologies to remove dust and scratches, and Epson Easy Photo Fix™ to restore colour, you can easily repair and revive your old photos and films.

- Fast, energy-efficient scanner
- 30-sheet auto document feeder
- Zero warm-up time
- Film holders for a range of photo formats
- Scan to searchable PDF, enhance text documents
- Restore and repair old images with DIGITAL ICE and Epson Easy Photo Fix
- Optical resolution up to 6400 dpi

Epson Perfection V500 Office without the Auto Document Feeder

Epson Perfection V500 Office with the Automatic Document Feeder
